

MD ARIFUL ISLAM

BSC IN INFORMATION TECHNOLOGY & MANAGEMENT

+8801757210124

tasdeearif@gmail.com

Objective

Dedicated to a career in data analysis and business analysis in the fields of business, engineering, science, and technology. Willing to face the obstacles and assume the duties of a dedicated data analyst. obtained a number of professional qualifications, including those in SQL, power bi, and Google analytics. able to use programming languages to confidently tackle statistical and mathematical challenges. Extremely motivated to research new technologies, learn them, and use them in the fields of business, science, and technology.

Education

BSc in Information Technology & Management

January 2020- December 2023 (Ongoing)
3.81/4 CGPA (Average of 6 Semester)

Daffodil International University

BSc in Computer Science

March 2022- August 2022

University Kebangsaan Malaysia

(QS world Ranking 129th in 2023 year)

Scholarship opportunity for one semester

Relevant Academic Course

TTTC2453 – Machine Learning

TC3283 – Data Mining

(University Kebangsaan Malaysia)

ITM 221 – Database Management System

ITM 302 – Business & Web Analytics

ITM 318 – Data Structure & Algorithm

(Daffodil International University)

Research Interest

- Deep Learning
- Data Mining
- Semantic analysis

Skills

Programming Language

- Python: Intermediate
- SQL: Intermediate
- C: Intermediate
- Java: Basic
- HTML, CSS3: Basic
- R: Basic

Machine Learning

Supervised, Unsupervised, reinforcement learning, Data analysis

Python Libraries

Numpy, Pandas, Tensorflow, Keras.

Deep Learning

CNNs, LSTM, RNNs, MLPs, DBNs

Data Visualization

Excel (intermediate), Power BI, Tableau, Orange, Google Data studio, BigML.

Probability & Statistics

Intermediate

Achievement

Got Scholarship opportunity based on merit & Finished One semester from University Kebangsaan Malaysia. (QS world Rank 2023- 129th)

Best Presenter & Best in Presentation among Philippines, at 2nd WORLDEX, Hosted By LPU Batangas Philippine.

1st Runner up at 3rd Data Summit Idea Contest, Hosted by Daffodil International University.

1st Runner up at HULT PRIZE at DIU 2023

Experience

Business Analyst at IDL-BD, (February 2023- Ongoing)

Student Associate at Daffodil International University (December 2022 - Ongoing)

Project Lead at ITM SUMMIT 2023.

January 2023- March 4th 2023

Event Management Head at HULT PRIZE at DIU 2023

November 2022- February 26th 2023

College Prefect at Bangladesh Navy College, Khulna

November 2016- March 31st 2018

Soft Skills and Strengths

Team Working

Self Confidence

Ability to Plan and Organize

Creativity Problem Solving

Love Learning New Things

Leadership

Personal Interest

Data Science

Data Analysis

Information Technology

Research

Software Testing

Human Resource

Language

English - Professional Language

Bangla - Native Language

Hindi

Urdu

Project

- **Orange** :Heart disease reports analysis.
- **Excel** : Mobile sell Information in BD.
- **Excel** : Gaming Copies sold 1980-2020
- **Google Data Studio** : Blood Group Report analysis.

Training Certification

- Machine Learning course certificate from Stanford University
- Data Structure course certificate from Stanford University.
- Python for Data Science, AI & Development course certificate from IBM Skill Network.
- Data Analysis course certificate from Freecodecamp.com (300 Hours)
